

CORIAN® FOR CORPORATE SPACES

EVERYDAY EXTRAORDINARY

CORIAN® ENDURA™ COOL MARBLE

CORIAN® SOLID SURFACE BASALT TERRAZZO

Corian® Solid Surface and Corian® Endura™ place design, durability and hygiene at the heart of every corporate office setting. With stunning aesthetics that deliver superior performance benefits, Corian® Design products enable you to take design in unique new directions.

CLEANLINESS IS A NON-NEGOTIABLE

Corian® Solid Surface is nonporous with impenetrable, easy-to-clean surfaces that can withstand strong cleaning agents and disinfectants.

And a wide variety of options fosters design creativity for market-trending looks that elevate the workplace while maintaining a healthy and hygienic atmosphere for everyone on the corporate ladder.

VERSATILE

Corian® Solid Surface offers a portfolio of solutions perfect for hybrid work environments, coupling on-trend design with durability and easy cleaning.

DURABLE

Depend on Corian® Endura™ to multitask where you need it most, with scratch resistance that offers durability in high-traffic areas and heat resistance that delivers cutting-edge looks that won't lose their cool.

DEPENDABLE

When you need your surface solutions to work overtime, Corian® Endura™ high-performance porcelain demonstrates elegance without compromising on performance.

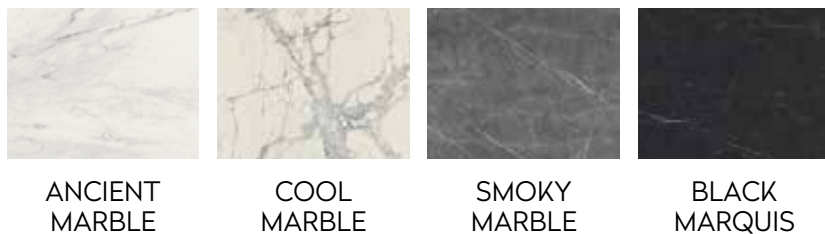

CORIAN® SOLID SURFACE

Keep design, hygiene and durability at the heart of every corporate setting.

CORIAN® ENDURA™

Push the boundaries of innovation and style with a premium, high-performance porcelain.

Reimagine the possibilities for corporate design at www.corian.com.
