

CORIAN® SOLID SURFACE FOR HEALTHCARE

EVERYDAY EXTRAORDINARY

CORIAN® SOLID SURFACE CARRARA LINO

Corian® Solid Surface places design, durability and hygiene at the heart of every healthcare space. Through stunning and thermoformable aesthetics, Corian® Solid Surface enables you to take design in unique directions with superior performance benefits.

CLEANLINESS AT ITS CORE

Corian® Solid Surface is nonporous with impenetrable, easy-to-clean surfaces that can withstand strong cleaning agents and disinfectants. This promotes a more hygienic space for doctors, patients and staff. And with a seamless design, there's simply no place for bacteria to hide – so you can enjoy peace of mind in a space where cleanliness is crucial.

Corian® Solid Surface Stonique

SEAMLESS

Corian® Solid Surface in Widesheet Dimensions allows for less seaming, which means decreased product waste, less material needed and faster installation—an ideal formula for optimizing cost savings.

ADAPTABLE

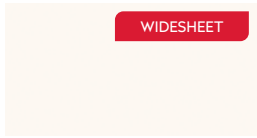

For specific applications like sinks and basins, our revolutionary Corian® Shapes offer both cleanliness and lower maintenance through seamless integration, as well as splash reduction from unique drain locations.

DURABLE

The reparability of Corian® Solid Surface means that it can endure the daily wear and tear common in high-traffic healthcare settings and can be restored without needing to be replaced, all of which save you time and money.
